

**“GEARED TO THE RESULT”
and still growing**

Nelson

Experienced Litigation Lawyer

Are you looking for an opportunity to join a progressive, client focused, very busy law firm in one of the fastest growing regions in New Zealand, whose operation is based on a team approach where all share in the successes of the firm? ... Are you interested in being part of a professional legal team that prides itself on excellence and achieving the result? ... Are you interested in joining a law firm that stands out from the crowd, prides itself on providing the highest quality legal services, where there is no ceiling on the level of your financial return, where salaries are competitive with the Auckland market and where you are paid based on the efforts you make and the results you achieve and where there is every opportunity for equity participation? ... If you are prepared to put in the hard yards and reap the rewards, then read on for the opportunities that exist in this equal opportunity law firm where respect for one's colleagues and getting the job done are paramount.

We have a position available for an experienced litigation practitioner within our firm in Nelson.

This is an opportunity for an ambitious, hardworking, capable lawyer with no less than five years post admission experience in civil litigation law in New Zealand.

What do you get?

1. A most competitive remuneration packages that will reflect the successful applicant's ability, experience, commitment and results;
2. To work with a team of hard working and competent legal practitioners and support professionals;
3. To work in a firm that is committed to staying abreast with IT and other enhancements to ensure the most efficient and effective service to its clients;
4. A pleasant, positive and fun working environment focusing on excellence and client satisfaction where our clients are very much advocates for the service we provide;
5. To work with people who enjoy each other and share our values;
6. A culture of caring for each other, our team and our clients;
7. Challenge and job satisfaction with real opportunities for progression; and
8. To share in our financial successes to ensure that the whole team is properly rewarded and an individual's performance is recognised.

If you have any questions, or would like to discuss the position, please do not hesitate to contact Andrew Shaw at our offices.

Applications, with CVs, including academic transcripts and references should be provided to:
